CAL-CERT COMPANY has been providing quality calibrations since 1972. We are a full service commercial calibration / repair laboratory. Cal-Cert is accredited to ISO/IEC 17025 and ANSI/NCSL Z540-3 and is recognized by A2LA and NAVLAP as well as IAS.

Some of the equipment we perform services and calibrations on include:

Dimensional

- Calipers
- Micrometers
- Straight Edges
- Dial Gauges
- LVDT's
- Protractors
- Height Gauges
- Depth Micrometers
- Thickness Gauges
- Extensometers
- Deflectometer
- Crimp Tools
- Optical Comparators

Pressure / Vacuum

- 0 – 10,000 psi
- Pressure Gauges / Transducers
- Vacuum Manometers / Meters

Hardness

- Rockwell Hardness
- Brinnel Hardness
- Durometers

Air Meters

- Clean & Calibrate

Force

- Compression to 3 million lbf
- Tension to 200,000 lbf
- Proving Rings
- Load Cells
- Dynamometers
- Testing Machines
- Tensiometers
- Wheel Load Scales
- Spring Testers
- Gyrotory Compactors
- Kneading Compactors

Electrical*

- Multi-Meters
- Amp Clamps
- Panel Meters
- 5.5 Digit Bench Meters
- Digital Tachometers
- Resistance Meters / Decade Boxes
- Capacitance Meters
- Phase Meters
- Watt Meters
- Volt Meters

Torque

- Drivers
- Wrenches
- Torque Calibrators

Scales & Balances

- 0 – 5000 lbs
- Legal for Trade

Temperature

- Ovens
- Uniformity Surveys
- Thermometers
- Water Baths
- Thermocouples
- RDT's
- Digital Thermometers

Surface Plates*

- Up to 30ft²
- Lapping to Grade

AND MUCH MORE.....

* - Denotes Service from Oregon Office Only

We have technicians available in all fields with more than 175 years of experience collectively. We have the **best response time** for emergencies and repairs. Our average turn around time is **3–5 Days** for in lab services.

Please call us today to schedule your calibrations.
E-mail or fax your tool list for a **"Competitive"** quote.
We look forward to hearing from you.
